Dear Deepak Pant,
Your IIC ID: IC201810644
Your Institute Name: Central University of Himachal Pradesh
Your AISHE Code: U-0178
Greetings from the Ministry of Education's Innovation Cell, Govt. of India.
It gives me immense pleasure to inform you that the 5th Edition of Smart India Hackathon 2022 is going to be organized in July 2022. **We would like you to register as a SPOC and nominate the teams in SIH 2022 in huge numbers.**
The deadline for registration, nomination, and idea submission has been extended to April 15, 2022. However, it is recommended not to wait for the last date and register and complete the process on time.
The Institutes can nominate the teams directly on our SIH portal by registering themselves as SPOCs. The internal hackathon is optional to organize.

· Step1: Register as a College SPOC by uploading a consent letter from their institute and other basic details.
· Step2: Verify your email and wait for the approval email from Team SIH
· Step3: Once approved, log in through the email credentials sent to your email and nominate teams.
· Step4: Verify and Freeze team details
· Step5: Once you freeze the details, Team Leader will receive the login credentials to login and submit ideas against PS or student innovation.
· Step 6: On successful submission, the SPOC will be able to see the idea on his dashboard.

Hurry up visit www.sih.gov.in to register.
Like the earlier editions, this year we also have prize money for each of the problem statements and certificates after the hackathon.
 Why participate?
· Chance for students' teams to interact with Prime Minister and/or Union Ministers
· **Certificates for registered SPOCs** and the participating teams from the Ministry of Education's Innovation Cell and AICTE
· Get to meet awesome mentors and experts from various ministries, industries, and other organizations
· Prize Money for Problem Statements - INR 1 Lakh per PS.
· Prize Money for Student Innovation – 3 Prizes (Rs. 1 Lakh, 75k, and 50k)
