SCREENING: ASSISTANT PROFESSOR

1. **Chemistry**
2. **Visual Art**
3. **History**
4. **Mass Communication and Electronic Media**
5. **HRM & OB**
6. **Marketing and Supply Chain Management**
7. **Accounting and Finance**
8. **Economics and Public Policy**

1. As the number of applicants for the post of Assistant Professor in **Chemistry, Visual Art, History, Mass Communication & Electronic Media, HRM & OB, Marketing & Supply Chain Management, Accounting & Finance and Economics & Public Policy**, meeting the minimum eligibility requirements are very large and that **Clause 9 of Ordinance 16 empowers the university 'to restrict the number of candidates to be called for interview**, based on the recommendations of the Screening Committee to a reasonable number on the basis of qualifications and experience higher than the minimum prescribed or by any other condition that it may deem fit', the Screening Committee decided that they will adopt the following criteria:

(a) Academic Background and Research Performance (50%)

- i. **Academic Background (20%):** 20 Marks Maximum based on academic performance from matriculation to PG level, computed as under:
 - 4 First Class/A Grade : 20 Marks
 - 3 First Class/A Grade : 15 Marks
 - 2 First Class/A Grade : 10 marks
 - 1 First Class/A Grade : 05 Marks
- ii. **Research Related Qualification (20%):** 20 Marks Maximum, computed as under:
 - PhD = 10 Marks
 - NET/SLET = 10Marks
 - MPhil = 05 Marks
- iii. **Research Performance (10%):** 10 Marks Maximum, to be assessed and determined by the Selection Committee with due regard to the post-doctoral work and quality of research & publications

(b) Assessment of Domain Knowledge and Teaching Skills (30%): 30 Marks, to be assessed and determined by the Selection Committee.

(c) Interview Performance (20%): 20 Marks, to be assessed and determined by the Selection Committee

The Screening Committee felt that marks scored by applicants in the first two criteria i.e. Academic Background and Research Related Qualification should be used as the basis for short-listing of candidates to be called for interview, as these two parameters can be objectively determined on the basis of information reported by the applicants in their application form and can be verified by the supporting documents.

The Screening Committee further recommended that in view of the large number of applications for the positions of Assistant Professors in **Chemistry, Visual Art, History, Mass Communication & Electronic Media, HRM & OB, Marketing & Supply Chain Management, Accounting & Finance and Economics & Public Policy**, the number of candidates to be called for interview against one vacancy be restricted to a maximum of 20. Further, in case of tie (i.e. more than one applicants having the same combined score in the Academic Background and Research Related Qualification), all applicants having the same combined score as the 20th candidate in a discipline be short-listed to be called for interview.

2. Decision with regard to Short-listing of the applicants called to appear for Interview before the Selection Committee has been made on the basis of their claim / information / certificates furnished / attached in their application forms.
3. Further, while deciding as to whether an applicant is to be called to appear for Interview before the Selection Committee, benefit of doubt has been given to the candidates.
4. Applicants shall have to substantiate their claim through documentary proof **at the time of the Interview**.
5. Applicants must ensure that their details are correct and that they meet the minimum eligibility requirements, failing which they shall not be allowed to appear for Interview before the Selection Committee.
6. The eligibility of the applicants has been determined as on the **last date of receipt of applications** as per the Advertisement for the post.
7. The applicants are requested to go through their details and in case of any discrepancy, they may bring the same to the notice of the University for necessary correction(s) within 15 days from the date of uploading the said list on the University Website.
8. Although all efforts have been made to ensure accuracy in preparing the list mentioned at above, possibility of inadvertent error or typographical mistake / omission cannot be ruled out. The Screening Committee will incorporate the genuine and justified requests, if any, on receipt from applicants.
9. The screening committee has screened all the applications with due care however in case of misrepresentation of facts by the candidate found at any stage the candidate will be disqualified.
