IMPORTANT INFORMATION TO THE APPLICANTS APPLIED FOR THE POST OF ASSISTANT PROFESSOR IN VARIOUS DISCIPLINES (EXCLUDING B.ED. & M.ED.)

Dated: 2nd May, 2016

1. The University vide its Employment Notice No. 002/2015 dated 19th May, 2015 had advertised the post of Assistant Professor in various disciplines. In response to the said Advertisement, the University had received a large number of applications for the post of Assistant Professor in various disciplines.
2. These applications were examined by the Screening Committee constituted for the purpose. The Screening Committee checked and verified the records of each applicant and determined their eligibility strictly in accordance with the minimum qualification prescribed by the University vide Employment Notice No. 002/2015 dated 19th May, 2015; UGC Regulations on Minimum Qualifications for Appointment of Teachers and other Academic Staff in Universities and Colleges and Measures for the Maintenance of Standards in Higher Education 2010 and UGC Regulations on Minimum Qualifications for Appointment of Teachers and other Academic Staff in Universities and Colleges and Measures for the Maintenance of Standards in Higher Education (2nd Amendment) Regulations 2013 as amended up to date. Applicants not meeting the minimum eligibility requirements as per the UGC Regulations were declared as **Ineligible** and reasons for declaring an applicant as ineligible clearly indicated against their names.
3. As the number of applicants for the post of Assistant Professor in various disciplines meeting the minimum eligibility requirements are very large and that **Clause 9 of Ordinance 16 empowers the university 'to restrict the number of candidates to be called for interview**, based on the recommendations of the Screening Committee to a reasonable number on the basis of qualifications and experience higher than the minimum prescribed or by any other condition that it may deem fit', the Screening Committee decided that they will adopt the criteria approved by the Academic Council (*vide Item No. 15.21 in its 15th Meeting held on 14th December, 2015*) and further approved by the Executive Council (*vide Item No. 22.10 in its 22nd Meeting held on 15th January, 2016*), which provides as under:

(a) Academic Background and Research Performance (50%)

i. Academic Background (20%): 20 Marks Maximum based on academic performance from matriculation to PG level, computed as under:

- 4 First Class/A Grade : 20 Marks
- 3 First Class/A Grade : 15 Marks
- 2 First Class/A Grade : 10 marks
- 1 First Class/A Grade : 05 Marks

ii. Research Related Qualification (20%): 20 Marks Maximum, computed as under:

- PhD = 10 Marks
- NET/SLET = 10Marks
- MPhil = 05 Marks

- iii. **Research Performance (10%):** 10 Marks Maximum, to be assessed and determined by the Selection Committee with due regard to the post-doctoral work and quality of research & publications
- (b) **Assessment of Domain Knowledge and Teaching Skills (30%):** 30 Marks, to be assessed and determined by the Selection Committee.
- (c) **Interview Performance (20%):** 20 Marks, to be assessed and determined by the Selection Committee
4. **The Screening Committee felt that marks scored by applicants in the first two criteria i.e. Academic Background and Research Related Qualification should be used as the basis for short-listing of candidates to be called for interview, as these two parameters can be objectively determined on the basis of information reported by the applicants in their application form and can be verified by the supporting documents.**
5. The Screening Committee further decided that in view of the large number of applications for the positions of Assistant Professors in each discipline, the number of candidates to be called for interview against one vacancy be restricted to a maximum of 20. Further, in case of tie (i.e. more than one applicants having the same combined score in the Academic Background and Research Related Qualification), all applicants having the same combined score as the 20th candidate in a discipline be short-listed to be called for interview.
6. The complete list of all applicants giving their critical information and decision of the Committee with regard to their eligibility and as to whether they are short-listed along with the reasons for their non-eligibility and not-short-listed is appended below.
7. It may be noted that:
- Decision with regard to Eligibility / Non-Eligibility and Short-listing / Non-Short-Listing of the applicants, has been made on the basis of their claim / information / certificates furnished / attached in their application forms.
 - Further, while deciding as to whether an applicant is to be called to appear for Interview before the Selection Committee, benefit of doubt has been given to the candidates, in case of any ambiguities with regard to educational qualification, experience, percentage of marks, category etc.

10. Although all efforts have been made to ensure accuracy in preparing, the list mentioned at Para 7 on pre-page, possibility of inadvertent error or typographical mistake / omission cannot be ruled out. The Screening Committee will incorporate the genuine and justified requests, if any, on receipt from applicants.

IMPORTANT NOTE:

- In case of Assistant Professors, 20 applicants / applicants at 20th place, in order of merit are proposed to be called to appear before the Selection Committee for the Interview. Since the applicants are given opportunity for corrections, if any, in their academic record, shown in the list as stated at Para 9 on pre-page, the final list, to be prepared after such corrections, if any, the list of short-listed applicants may change later on. Therefore, this list may be treated strictly as PROVISIONAL LIST and no such claim for eligibility shall be entertained by the University in regard to this provisional list.**
