- a) The payment shall be released through NEFT/RTGS payment system only in the bank account of the contractor after necessary deduction of statutory dues.
- b) TDS and other Statutory taxes (Labour Cess etc.) shall be deducted at the source from the monthly/final bill.

2.23 It shall be open to the University to abandon or give up at any stage of the construction of any of the said works or any part thereof. In the event of such abandonment or giving up or in the event of termination of the agreement, the Contractor shall be paid up to the work performed by then.

2.24 Deviation, Extra Items & Approvals for Pricing:

In case of execution of any Extra Items(s), apart from the BOQ, contractor must intimate the office of Assistant Engineer, CUHP to obtain prior sanction for carrying out the work along with the quantities & rates. Thereafter, the contractor may submit the bills as per the usual practice of submission of RA/Final bill.

DEVIATION LIMIT FOR THE CONTRACT ITEMS IS 25%.

In case of contract items which exceed the limit of 25%, the contractor must intimate the office of Assistant Engineer, CUHP to obtain prior sanction for carrying out the work along with the quantities & rates. Thereafter, the contractor may submit the bills as per the usual practice of submission of RA/Final bills.

In the case of Extra Item(s) being the schedule items (Delhi Schedule of Rates items), these shall be paid as per the schedule rate plus cost index (at the time of tender) plus/minus percentage above/ below quoted contract amount.

Payment of Extra items in case of non-schedule items (Non-DSR items) shall be made as per the prevailing market rate.

2.25 Termination of contract: If the Contractor fails to perform any of its obligations under this agreement or if University is dissatisfied with the services of the Contractor, University may issue seven days' written notice intimating the Contractor of their failures or deficiencies and calling upon Contractor to rectify within such time as may be specified in the notice and if the Contractor fails to perform such obligation or make good such deficiencies as pointed out to the Contractor in the notice, University may terminate the services of Contractor under this agreement. University may also terminate the Contract hereunder:

- i) if the firm is adjudged bankrupt or
- ii) if they make a general assignment for the benefit of their creditors or
- iii) if a receiver is appointed on account of their insolvency or
- iv) they disregard law, ordinances, rules, regulations or orders of any public authority having jurisdiction on the works.

The termination shall be without prejudice to all rights, liabilities and remedies that have arisen or accrued till date of such termination or that may arise on account of such termination and University may get the project completed by whatever method they may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment, if due, until the loss, damage or expense incurred by University due to breach of this agreement by Contractor have been settled.

In case the Contractor abandons the work during the course of the project, the University has the right to appoint an alternate Contractor or make an arrangement for carrying out the work of Contractor, at the risk and cost of the Contractor. Traveling / daily allowances shall not be payable to the Contractor, its representatives, officials and consultants engaged by it for their visit to construction site, offices of local authorities, Employer's office or any other place in Dharamshala.

The scope of work broadly described herein and assigned to Contractor, as their area of responsibility is inclusive of all constancy and other services required in connection with the completion of work whether specifically mentioned herein or not and rendering such constancy services will not entitle the Contractor to charge any additional fees in as much as the same are included in the overall professional fees payable to them.

2.26 Liquidated Damages Clause: If any delay in execution of the works is attributable to the acts or omissions and commissions of Contractor, University shall be entitled to recover liquidated damages at the rate of 0.5 % (point five percent) per week on the total value of work unfinished / uncompleted work, subject to a maximum 5% of the tendered value of work, as compensation / penalty amount to the CUHP.

2.27 Professional indemnity: Contractor warrants that it shall exercise high degree of care and diligence in rendering the services pursuant to this agreement and that; such services shall be of a quality and standard satisfactory to University. The Contractor shall indemnify University from any damage or loss arising from such lack of care and diligence or arising out of any unsatisfactory performance of service by Contractor.

2.28 Dispute Settlement: In case of any dispute or difference arise between the parties during the progress of or after construction of this contract or touching or relating either to the said buildings or works, or to any other matter or thing arising directly or indirectly under this contract, then and in such an event the same shall be referred to Vice-Chancellor, CUHP Dharamshala as the SOLE ARBITRATOR who shall alone consider and determine the same, whose decision / award shall be binding and conclusive upon both the said parties and this clause shall be deemed a submission within the meaning of Arbitration and Conciliation Act 1996 or Statutory modification or re-enactment thereof. It is specifically agreed that the Contractor shall continue to render its services provided herein with all the due diligence, professional skill and tact notwithstanding that any matter, question or dispute has been referred to arbitration. The venue of Arbitration proceedings shall be Dharamshala. It is further agreed between the parties as hereto that the Dharamshala Courts alone shall have the exclusive jurisdiction.

2.29 Site: Work is to be carried out at Shahpur Academic Block of Central University of Himachal Pradesh at Shahpur (Chattri) in District Kangra of HP. The contractor shall remove all surplus materials, debris etc. out of the site of work on work completion and hand over the site clean before the bill is processed for final payment. Dismantled materials if any (declared by Engineer-in-charge of the work) shall be returned to the Engineering Department/ Central Stores by the contractor at his own cost. The disposal of material shall be done in environmentally friendly way and complying with the local rules and regulations.

2.30 Security:

a) Movement of contractor's materials:

Any materials which are removed from the site of work and are required to be taken out from the CUHP campus, the contractor should follow the following procedure:

The contractor shall apply in writing to the Engineer-in-charge the details of the materials to be removed including which are rejected etc. This application shall be endorsed by the engineer in charge or his authorized representatives. The materials shall only be allowed to go out of CUHP campus after counter signature of the security officer/Guard and checked at the gate.

b) Search:

Thorough search of all persons and transport shall be carried out at each gate and for as many times as gate is used for entry or exit and may also be carried out at any time or any number of times at the works site within the restricted area.

c) Working Hours:

The units controlling restricted areas usually work during five days in the week and remain closed on Saturday and Sundays. The working hours available to contractor's labour and staff are however appreciably reduced because of the time of entry and exit during working hours. The exact working hours, working days and non-working days observed for the restricted areas where works are to be carried out shall be deemed to have been ascertained by the contractor before submitting the tender.

d) Entry and Exit:

The contractor, his agents, representatives, workmen, etc. and his materials, carts, trucks or other means of transport, etc. will be allowed to enter through and leave from only such gate or gates and at such times as the concerned authorized in charge of the restricted area may, at their sole discretion, permit. Contractor's authorized representatives, if required, are to be present at the places of entry and exit for the purpose of identifying his carts, trucks, etc. to the personnel in charge of the security of the restricted area.

e) Labour Law:

The work will be executed strictly following the Labour Laws of Central Govt & State Govt as may be applicable. The contractor should follow CPWD Contractor's Labour Regulations.

2.31 Scope of Work

- a) Providing and Fixing Aluminium Partitions and Cabins at Shahpur Academic Block of Central University of Himachal Pradesh.
- b) The location of work shall be the academic block of CUHP located at Shahpur in Distt Kangra of HP.
- c) The contractor has the responsibility to provide all safety garments, equipment's, tools etc. to his staff or the persons dealing with work.
- d) It shall be responsibility of the contractor to execute the work of maintenance and repair at all levels and heights of the buildings for which necessary tools, safety belt, Scaffolding, helmets etc. will be arranged by the contractor at their cost.
- e) The carpenter's service should be available as and when required.
- f) The work of the contractor will be supervised by the Engineer of CUHP Dharamshala.
- g) The operating/supervisor personnel shall have the basic knowledge and technical skill of civil execution works to carry out civil and plumbing works independently in case of emergency and urgent repair works.
- h) The contractor/operator/supervisor personnel shall have a clear working knowledge of the various BOQ items and shall not meddle /alter the BOQ items without the permission of the Engineer in charge.

2.32 Evaluation Criteria:

The L-1 will be decided on the Grand Total Amount quoted for the work in the Financial Bid. All levies/taxes (i.e., GST etc.) shall be included in the quoted rates (as per format of Financial Bid).

However, the decision of the Competent authority will be final and binding in awarding the order. In case of any clarification required, the same can be clarified from CUHP Dharamshala before submission of the bids.

2.33 Discrepancy in Rates:

Rates quoted by the contractor in figures and words shall be accurately filled in so that there is no discrepancy in the rates written in figures and words. However, if a discrepancy is found, the rates which correspond with the amount worked out by the contractor shall unless otherwise proved be taken as correct. If the amount of an item is not worked out by the

contractor or it does not correspond with the rates written either in figures or in words, then the rates quoted by the contractor in words shall be taken as correct. Where the rates quoted by the contractor in figures and in words tally, but the amount is not worked out correctly, the rates quoted by the contractor will unless otherwise proved be taken as correct and not the amount. In event no rate has been quoted for any item(s), leaving space both in figure(s), word(s), and amount blank, it will be presumed that the contractor has included the cost of this/these item(s) in other items and rate for such item(s) will be considered as zero and work will be required to be executed accordingly.

3. GENERAL CONDITIONS OF CONTRACT

(In addition to CPWD General Conditions of Contract-2020 with up-to-date correction slips)

- 3.1 The persons deployed by the Contractor should be properly trained, have requisite experience and skills for carrying out the work assigned to him.
- 3.2 The Contractor should ensure the Health and Safety Measures of the employees.

The Contractor shall rectify at his own expenses any defect in the work carried out by him during this period. On failure of the contractor to do so, the same shall be completed by the employer at the risk and cost of the contractor.

3.18 Liquidated Damages for Delay: If the Contractor fails to complete the work or to rectify any defect in due course of time and if in the opinion of engineer, delay is on the part of the Contractor, the employer can impose liquidated damages on the contractor at the rate of 0.5 % (point five percent) per week on the total value of work unfinished / uncompleted work, subject to a maximum 5% of the tendered value of work, as compensation / penalty amount to the CUHP.

3.19 Contractor's Failure to carry out instructions: In case of default on the part of the Contractor in carrying out defect rectification works, the Employer/Engineer shall be entitled to employ and pay other persons to carry out the same and if such work, in the opinion of the Engineer, the Contractor was liable to do at his own cost under the Contract, then all costs consequent thereon or incidental thereto shall be determined by the Engineer and shall be recoverable from the Contractor by the Employer, and may be deducted by the Employer from any monies due or to become due to the Contractor.

3.20 Instructions for Variations: Quantities given in the BOQ are estimated quantities. The quantity of any particular item may vary to any extent. Variation in quantity in particular items or overall cost, does not entitle contractor to claim any extra cost.

The Contractor is bound to execute all contingent and supplemental items of work.

The rates for such items shall be worked out based on current CPWD Manual and current Delhi Schedule of Rates.

3.21 Measurement of Work Done:

3.21.1. Works to be measured for BOQ/Schedule items as per clause 6 or 6A of the General Conditions of Contract-2014, CPWD as applicable:

The Engineer-in-Charge/his representative shall determine by measurement of the value of actual work done in accordance with the Contract and the Contractor shall be paid proportionately. Part rate shall be made for any part of BOQ items not fully executed. Engineer-in-Charge shall be at liberty to decide the break-up of Lump sum items and to decide the part rate for any particular item.

The contractor shall, without extra charge, provide all assistance with every appliance, labour and other things necessary for measurements and recording levels.

It is also a term of this contract that recording of measurements of any item of work in the measurement book and/or its payment in the interim, on account or final bill shall not be considered as conclusive evidence as to the sufficiency of any work or material to which it relates nor shall it relieve the contractor from liabilities from any over measurement or defects noticed till completion of the defect liability period.

3.21.2. Method of Measurement: The works shall be measured net as per CPWD norms, notwithstanding any general or local custom, except where otherwise provided in the Contract.

- 3.22 Deduction of Income Tax:** The amount to be deducted towards the advance income tax shall be at the rate applicable
- 3.23 Performance Guarantee:** The successful tenderer/contractor, shall deposit an amount equal to 5% of the tendered and accepted value of the work (without limit) as performance guarantee in the form of Fixed Deposit Receipt of a Scheduled Bank. The time allowed for submission of the performance guarantee shall be 15 days from receiving "Letter of Acceptance" (LOA). This period can be further extended at the written request of the contractor by the Engineer-in-charge for a maximum period ranging from 1 to 15 days with a late fee @ 1.00% per day of Performance Guarantee Amount. If the bidder still fails to deposit the performance guarantee within the extended time period, i.e. within 16th day to 30th day from the issue of letter of acceptance (LOA), his bid will be rejected and treated as cancelled and the entire Earnest Money Deposit shall be forfeited. The performance guarantee shall be returned to the Contractor, without any interest after successful completion of Defect Liability Period i.e. 6 months from the date of issue of completion certificate.
- 3.24 Correction of Certificates:** The Engineer may by any interim Payment certificate make any correction or modification in any previous interim payment certificate which has been issued by him, and shall have authority to omit or reduce the value of such work in any interim payment certificate.
- 3.25 Final Completion Certificate:** After receipt of the Final Statement, the Engineer-in- Charge shall issue to the Contractor, a Final Completion Certificate.
- 3.26 Default of Contractor:** If the performance of the Contractor is not satisfactory and not corrected within 15 days of receiving notice, then employer shall be at liberty to terminate the contract and get the work executed through other means at the risk and cost of the Contractor. In the event of termination of the contract, employer shall be at liberty to get balance work done at the risk and cost of the contractor and due payment of the contractor, if any, shall be released after the completion of whole of the works.
- 3.27 Amicable Settlement of Dispute:** The Parties shall use their best efforts to settle amicably all disputes arising out of or in connection with this contract or the interpretation thereof through the Dispute redressal committee as provided in the Agreement.
- 3.28 Arbitration:** Any dispute and differences relating to the meaning of the Specifications, designs, drawings and instructions herein before mentioned and as to the quality of workmanship or of materials used in the work or as to any other question, claim, right, matter or thing whatsoever in any way arising out of or relating to the contract, designs, drawings, specifications, estimates, instructions or these conditions or otherwise concerning the works or the execution or failure to execute the same whether arising during the progress of the work or after the completion or abandonment thereof in respect of which Amicable settlement has not been reached, shall be referred to the Sole Arbitration of the Vice-Chancellor, CUHP,

Dharamshala who shall proceed as per the Arbitration Act,1996. The work under the Contract shall continue, during the Arbitration proceedings. The award of the Arbitrator shall be final, conclusive and binding on both the parties.

3.29 Risk Clause: The Contractor shall at all times have standby arrangements for carrying out the work under the Contract in case of any failure of the existing arrangement. CUHP reserves the right for termination of the contract at any time by giving one month written notice, if the services are found unsatisfactory and also has the right to award the contract to any other selected tenderers at the cost, risk and responsibilities of Contractor and excess expenditure incurred on account of this will be recovered from the Contractor's Security Deposit or pending bill or by raising a separate claim.

Contractor and its staff shall take proper and reasonable precautions to preserve from loss, destructions, waste or misuse the areas of responsibility given to them and shall not knowingly lend to any person or company any of the effects or assets of the CUHP under its control. In the event of loss/ damage of equipment etc. at the premises of the CUHP due to negligence/carelessness of Contractor staff, then the Contractor shall compensate the loss to CUHP.

The Contractor shall, in performing its part of this Agreement, ensure the safety of the building and the persons working in or visiting the University premises and shall indemnify CUHP for any loss or damage caused by any act of the Contractor or its employees or staff etc. The Contractor shall not assign or sublet this Agreement or any part thereof to any third party without the approval of competent authority. However, he may use the services of associates for providing the services in which case the Contractor shall be responsible for the performance and all acts of the associates as though they were his own. In every case the Contractor shall make alternative arrangements for meeting his contractual responsibilities in case of failure of the Associate. Licenses if any required for repair & maintenance services at the site will be procured by the Contractor.

3.30 Force Majeure: If the work(s) be delayed by:-

- (i) force majeure, or
- (ii) abnormally bad weather, or
- (iii) serious loss or damage by fire, or
- (iv) civil commotion, local commotion of workmen, strike or lockout, affecting any of the trades employed on the work, or
- (v) delay on the part of other contractors or tradesmen engaged by Engineer-in- Charge in executing work not forming part of the Contract, or
- (vi) non-availability of stores, which are the responsibility of Government to supply or
- (vii) non-availability or break down of tools and Plant to be supplied or supplied by Government or
- (viii) any other cause which, in the absolute discretion of the Engineer-in-Charge is beyond the Contractor's control.

then upon the happening of any such event causing delay, the Contractor shall immediately give notice thereof in writing to the authority, but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Engineer-in-Charge to proceed with the works.

4.1 Except for the items, for which Particular Specifications are given or where it is specifically mentioned otherwise in the description of the items in the schedule of quantities, the work shall generally be carried out in accordance with the “CPWD Specifications 2009, Vol.-I & II” with up-to-date correction slips, Additional/Particular Specifications, Architectural/structural drawings and as per instructions of Engineer-in-Charge.

The several documents forming the tender are to be taken as mutually complementary to one another. Detailed drawings shall be followed in preference to small scale drawings and figured dimensions in preference to scaled dimensions.

Should there be any difference or discrepancy between the description of items as given in the schedule of quantities, particular specifications for individual items of work (including special conditions) and I.S. Codes etc., the following order of preference shall be observed:

- a) Description of Schedule of Quantities
- b) Particular Specifications and Special Conditions, if any.
- c) Drawings
- d) CPWD Specifications.
- e) Indian Standard Specifications of B.I.S.
- f) Manufacturers’ specifications & as decided by Engineer-in-charge.

“In the event of any variation/ discrepancy in the drawings, specifications and tender documents etc. the decision of the Engineer-in-charge shall be final binding and conclusive on the contractor and in the case the contractor have any doubt and the same should be got clarified immediately from the Engineer-in-charge and no claim of the contractor shall be entertained thereafter. Moreover, the agency is not allowed to take benefit out of any clerical/grammatical mistake in the standard clauses/Schedule of Quantities/Specifications etc. being used in the agreement”.

The works to be governed by this contract shall cover delivery and transportation up to destination, safe custody at site, insurance, erection, testing and commissioning of the entire works.

4.2 Wherever any reference to any Indian Standard Specification occurs in the documents relating to this contract, the same shall be inclusive of all amendments issued there-to or revisions thereof, if any, up to the date of receipt of tenders.

4.3 The contractor shall work according to the Programme of work as approved by the Engineer-in-charge, for which purpose, the contractor shall submit a tentative Programme of the work within 15 days from the stipulated date of start of the work.

4.4 The Contractor will have to work according to the program of work decided by the Engineer-in-charge. Wherever desired by Engineer-in-charge the contractor shall also construct a sample unit complete in all respect within time specified by the Engineer-in-charge & this sample unit shall be got approved from the Engineer-in-charge before mass construction is taken up. No extra claim whatsoever beyond the payment due at agreement rates will be entertained from the contractor on this account.

- 4.5 The contractor shall take instructions from the Engineer-in-charge for stacking of materials at site. No excavated earth or building materials shall be stacked on areas where the buildings, roads, services or compound walls are to be constructed.
- 4.6 Unless otherwise provided in the Schedule of quantities, the rates tendered by the contractor shall be all inclusive and shall apply to all heights, lifts, leads and depths of the building and nothing shall be payable to him on this account. However, payment for centering, shuttering, if required to be done for floor heights greater than 3.5m, shall be admissible, if not already specified otherwise.
- 4.7 The working drawings shall mean to include both architectural and structural drawings respectively. The structural and architectural drawings shall be properly correlated before executing the work. In case of any difference noticed between architectural and structural drawings, final decision, in writing of the Engineer-in-charge shall be obtained by the contractor before proceeding further.
- 4.8 Samples for particular items of work shall be prepared, for prior approval of the Engineer-in-charge before taking up the same on mass scale and nothing shall be payable on this account.
- 4.9 If ISI marked products are available, the contractor shall use only ISI marked products. In other cases, the materials shall not conform to CPWD specifications. In case a material/product is covered neither by ISI nor by CPWD specification, shall the work be carried out as per sound engineering practice, in which case the decisions of the Engineer-in-charge shall be final & binding. In such cases Engineer-in-charge shall satisfy himself about the quality of such materials and give his approval in writing. Only articles classified as first quality by the manufacturers shall be used unless otherwise specified. All materials not having ISI mark shall be tested as per relevant ISI specifications. The Engineer-in-charge may relax the condition regarding testing if the quantity of the materials required for the work is small. In all cases of used of ISI marked materials proper proof of procurement of materials from authentic manufacturers shall be provided by the contractor to the entire satisfaction of Engineer-in-charge.
- 4.10 Some restrictions may be imposed by the security staff etc. on the working and deployment of labour, materials etc. The contractor shall be bound to follow all such restriction / instructions and nothing extra shall be payable on this account.
- 4.11 The contractor shall make his own arrangements for obtaining electric connections, if required. If the CUHP supply is utilized by the Contractor for routine work, the necessary electric charges shall be paid through meter or an amount @0.15% of gross value of work done will be deducted from each running bill and final bill of the contractor for the same. In such cases necessary permission of HPSEB shall be the responsibility of the Contractor at his cost.
- 4.12 Other agencies doing works related with this project will also simultaneously execute the work and the contractor shall afford necessary co-operation for the same. The contractor shall leave such necessary holes, opening etc. For laying/burying in the work pipes, cables, conduits, clamps, boxes and hooks for fan clamps etc. as may be required for other agencies. Conduits for electrical wiring/cables will be laid in a way that they leave enough

space for concreting and do not adversely affect the structural members. Nothing extra over the agreement rates shall be paid for the same. The contractor shall extend necessary co-operation to them without any claim on this account.

- 4.13** Stacking of materials and excavated earth including its disposal shall be done as per the directions of the Engineer-in-Charge. Double handling of materials or excavated earth if required shall have to be done by the contractor at his own cost.
- 4.14** No claim for idle establishment & labour, machinery & equipment, tools & plants and the like, for any reason whatsoever, shall be admissible during the execution of work as well as after its completion
- 4.15** (a) The building work will be carried out in the manner complying in all respect with the requirements of relevant by-laws of the local body under the jurisdiction of which the work is to be executed or as directed by the Engineer-in-charge and nothing extra will be paid on this account.
- (b) The work of water supply, internal sanitary installations and the drainage work etc. may require to be carried out as per local Municipal Corporation or such local body Bye-Laws and the contractor in such cases shall produce necessary completion certificate from such authorities after completion of the work.
- (c) Water tanks, taps, sanitary, water supply and drainage pipes, fittings and accessories wherever required should conform to by-laws and specifications of the municipal body/corporation where CPWD specifications are not applicable. The contractor should engage licensed plumbers for the work and get the materials (fixtures/fittings) tested by the Municipal body/Corporation authorities wherever required at his own cost.
- (d) The contractor shall comply legal orders and directions of the local or public authority or municipality and abide by their rules and regulations and pay all fees and charges which he may be liable.
- 4.16.** The contractor shall give a performance test of the entire installation(s) as per standing specifications before the work is finally accepted and nothing extra whatsoever shall be payable to the contractor for the test.
- 4.17.** The work pertaining to the items of internal finishing should be started in consultation and with prior approval of Engineer-in-Charge.
- 4.18.** All materials equivalent to the one specified should be got approved by the Engineer-in-charge before using the said materials in the work.
- 4.19.** Any damage to work resulting from weathering conditions, defacing or from any other cause such as negligent act on the part of contractor, until the work is taken over by the Department after completion of work, shall be made good by the contractor, at his own cost.
- 4.20.** The tendered rates are inclusive all taxes, cess and levies etc. payable under the respective statutes.
- 4.21.** The contractor shall provide at his own cost electric ovens and suitable weighing and measuring arrangements at site as may be necessary for execution of work.

- 4.22. The contractor is supposed to inspect the buildings / work site before tendering to assess the scope of work. He should collect and get acquainted with all relevant prevailing conditions of site restrictions etc. available for proper and smooth execution of work. The contractor shall inspect the distance between dispensaries / staff quarters /Hospital etc. and satisfy themselves before quoting the rates for smooth execution of work.
- 4.23. If as per Municipal rules or Client Department rules, the huts for laborer's are not be erected at site of work by the contractor, the same shall be complied with by the contractor. The department shall not provide any alternative site or space at any location and all necessary arrangement shall have to be made by the contractor at his own cost.
