The organization aims to publish that literature, arrange lectures and organize various kinds of competitions that develop love, harmony, and mutual understanding and cooperation among people to contribute to nation-building.

All members of the organization firmly believe that our target audience is a new generation. Therefore, we are going to organize an essay writing competition for university students. Some important points about the competition are following:

1. The theme of the competition is:

सांझी संस्कृति और हमारा दायित्वा

مشترکہ ثقافت اور ہماری ذمہ داریاں۔

Composite Culture and Our Responsibilities.

2. The article should consist of at least 2500 words and should not exceed 5000 words.
3. **Khusro Foundation** will have all copyrights of prize-winner articles and they may be used anywhere and in any form with the name of the authors.
4. The articles may be written in English, Hindi, and Urdu languages and prizes will be given in all three languages separately.
5. The first prize-winner will be given 15,000 INR, second prize-winner 10,000 INR, third prize-winner 3000 INR, and five consolation prize winners will be given 5,000 INR each. If the articles are less in number or not up to the mark, the prizes may be decreased.
6. The decision of **Khusro Foundation's** nominated judges will be final.
7. The articles will be accepted only when the testimonial of the Registrar/Dean Students' Welfare/Dean Faculty or Principal of the College would be attached as that would signify that the article is written by the student himself/herself and he/she is the bonafide student of the institute, and the copy of the identity card of the student will also be attached with the article.
8. The deadline for the article's submission is 15th March 2022. The articles may be sent through post or courier but the **Foundation** will not be responsible for delays by post or courier.

We hope that you will give us a chance to express our gratitude by circulating the advertisement widely in all the departments and institutions of your university/college.
