<p>Others:</p>	<p>I have around 12 years of work experience as a teaching faculty and handling administrative and academia affairs within and outside the University environment. I have a deeper sense of conducting field based research work in rural areas of India, in particular the northern states in India. I took active responsibility for organising seminars, Training Workshops and Awareness Generation Programme both of national and international.</p> <p>I have personally coordinated Training of Teachers (ToT). The particular areas of my concentration with stimulate me the most remains Panchayati Raj Institution and it’s functioning at the grassroots. Also to understand PRI at the policy planning and institutional level. Gender discourse and engaging male female dialogues is another area where I have be very active and have hosted and conducted many interactive discussions and workshops at both from university level to the grassroots level at panchayats.</p>

Mentoring, Guiding and Encouraging my students, is always a part of my workout. Positive pursuit in connection with my areas of research and subject is a continuous affairs in my professional life, towards that I always keep myself updated and following various developments happening around.

I am also Member, Planning and Advisory Committee (PAC) of The Indian Council for Development and Regional Co-operation (ICDRC) New Delhi, which is an autonomous research institution working in the Indian Himalayan Region, South Asia and Pacific. Wherein I conducts the review of various programmes, projects and activities undertaken by the institute. As a Member of PAC, I also provides vital imputed towards better policies and internal governance of the organisation.
